In addition to the above points, our LONG DISTANCE LINES reach all other Cities, Towns and Public Pay Stations on the Pacific Coast, also to British Columbia and Rocky Mountain Territories, covering States of California, Oregon, Washington, Idaho, Montana, Utah and Wyoming. For rates call "Long Distance."

GENERAL INFORMATION.

SUBSCRIBERS' NUMBERS.—Each subscriber's telephone is designated by a number placed to the left of his name. The number is prefixed by the name of the exchange with which the subscriber is connected. In calling for subscribers, it is necessary that both the exchange name and number be given.

DIRECTORY.—The Directory is issued three times a year and goes to press on the 15th day of January, May and September. No new names or corrections can be inserted in the alphabetical list after these dates. Use the current issue to obtain correct numbers. The Company assumes no liability for damage arising from errors or omissions in the making up or printing of the Directory. Subscribers are requested, when they desire a change made in their insertion, to notify the Company in writing at least thirty days in advance.

ABBREVIATIONS.—In addition to abbreviations in common use, the following have been adopted: Bk—bank, Bway—Broadway, blk—block, Comm.—Commission, exp—express, Mkt—Market, Mtgy—Montgomery, nr—near, phy—physician, rl. est-real estate, rm-room, r-residence sur-Surgeon, whsle-wholesale, wks-works.

INSTRUCTIONS FOR USING TELEPHONE.—In talking, speak in a moderate tone and directly into the transmitter, with the lips as close as possible to the mouthpiece.

To call Central Office, take the hand telephone from the hook, place to your ear, and operator will say, "Number?"

When operator receives exchange name and number of subscriber wanted, she

will repeat them to you in order to avoid mistakes.

Remain with telephone to your ear until party called for has answered. Should the operator report "Line is busy," it means that the desired subscriber's line is connected with some other.

Should the operator say: "They don't answer," it means that we are unable to get the subscriber to come to the telephone. Please call again.

When a conversation is finished, be sure to replace the hand telephone on hook in original position.

LONG DISTANCE CALLS.—To make connection with other towns, remove the hand telephone from the hook and when operator says "Number" say "Long Distance." When the Long Distance operator says "Long Distance" give your telephone number, name, and the town, telephone number and name, of party wanted.

CITY TELEGRAMS.—Subscribers can send messages between the hours of 8:00 A.M. and 6:00 P. M., to be written out by the receiving operator and delivered in the City for twenty-five cents for a message of twenty words or less, except to Butchertown. Telegrams for Butchertown may be sent through "Long Distance." Rate to Butchertown, twenty-five cents first ten words, and two cents each additional word. At other hours, a Special charge may be made for delivery. First, write out your message, then call for "Telephone Main 910," and transmit to that operator, requiring her to repeat it back to you to guard against errors.

HOW TO ANSWER A TELEPHONE CALL.—Remove the hand telephone from the hook and say: "Here is Main 297" (or whatever your number may be). The party calling should say: "This is Main 298" (or whatever the number may be). Much friction and annoyance will be avoided if this simple plan is carried out.

TELEPHONE MAIN 600.—This department has been established for the general benefit of the service and to give attention to subscribers asking for general information regarding change of subscribers' number, name, location, names not in book, etc., etc.

NON-SUBSCRIBERS.—When it is desired to have a non-subscriber called into one of our public offices at a distant place, a messenger will be sent for at the expense of the party ordering service.

APPOINTMENTS BY TELEPHONE

AND

UNCOMPLETED SWITCHES

Charges for appointments by telephone and uncompleted switches must be paid for in advance, or charged to subscriber's Telephone when properly authorized, as follows:

The rate is 25 Cents, except

- 1. In cases where the regular tariff is less than 25c, the rate for an uncompleted switch is the same as the minimum rate.
- 2. In cases where the regular tariff is No. 34, 35, 36, 37, or 38, the rate for an uncompleted switch is **50 Cents**.

Where it is necessary to send a messenger for party wanted, the messenger charge will be added.

Where no conversation is held, but party is given information as may be obtained, such as

- "Party called for out of town"
- "Party called for sick and cannot come"
- "Party called for has left for another town"
- "Party called for cannot come to telephone at present"

the charge will be retained by the Company, but if the conversation takes place any time within twenty-four hours after the first call, it will be applied in payment for the switch.

Money Transfers

Money transfers limited to \$100 may be made between stations of the Pacific States Telephone and Telegraph Company with the permission of the nearest Division office. The receiving operator must see that the amount to be transferred is deposited, together with transfer fee and charge for message. Tickets covering transfer of money must be made with full information, including the names of the receiving and paying offices, amount transferred, transfer fee, and charge for message.

The rate is one per cent (1%) on the sum transferred (providing no single charge is less than 25 cents), in addition to the cost of 2 fifteen-word messages.

Long Distance Cash Switches

We frequently find that our patrons would like to pay cash at the time Long Distance switches are made, more especially when the switches are made from subscribers' telephones by outsiders.

On information being given to "Long Distance" operator, at the time of making a Long Distance switch, that it is desired to pay cash for the same, a telephone messenger will be promptly sent to collect the money, which, if paid by an outsider, may be left with some one in the office where the telephone was used.

Please do not pay to messenger any such sum, unless he presents a printed blank from this Company, stating the facts.

Subscribers desiring that all switches should be Cash, can notify us by mail or telephone, and the necessary order will be given.

TELEGRAMS

Enselingarina

All stations of the PACIFIC STATES and SUNSET TELEPHONE AND TELEGRAPH COMPANIES are being equipped as rapidly as possible with Morse telegraph instruments in order that a regular telegraph business may be done over the lines of the Companies. Telegrams should be accepted by all agents and employes whenever offered for transmission. If there are no telegraph instruments at your office, the message will be telephoned to the nearest office equipped with instruments, so that it may be forwarded by telegraph from there to its destination. All employes are particularly cautioned against refusing to accept any such message.
